1. Due to the continued expired status of United States Patent 5,788,178 and due to the expiry of the six-month suspension of action on the instant application under 37 CFR 1.103(e), the following action is issued.
2. Claims 1-16 and 30-32 are hereby rejected under 35 USC 251 in that a reissue may not be granted on an expired patent.

United States Patent 5,788,178 expired due to non-payment of maintenance fees. The examiner has waited an extended amount of time in order to afford the applicant every possible opportunity to have the maintenance fees paid and to have the patent restored to force. The patent, however, as of the date of this Office Action remains in expired status. Under 35 USC 251 no reissue may be granted on United States Patent 5,788,178 since it is expired. Please see MPEP 1415.01.
